Agreement for Payment of Plan Check

Santa Barbara County Water Resources Division, Public Works Department
(hereinafter WATER RESOURCES) and _____
(hereinafter APPLICANT) AGREE AS FOLLOWS:

1. APPLICANT has submitted plans to WATER RESOURCES for Plan Check review pursuant to _____, Case # _____, (hereinafter PROJECT).

2. WATER RESOURCES has set variable fees pursuant to Resolution No. 04-110. APPLICANT understands and agrees that Government Code §66451.2. authorizes WATER RESOURCES to charge and collect reasonable fees for processing of tentative, final and parcel maps and for other procedures required or authorized by Government Code § 66451.2. or local ordinance.

3. APPLICANT and WATER RESOURCES agree that because of the size, nature or scope of the proposed project, it is impossible to ascertain the full extent of the costs involved in processing the plan check upon initiation of case processing. APPLICANT and WATER RESOURCES further agree that it is in the interest of the parties to permit payment of a deposit and to permit subsequent periodic billing and payment as charges are incurred. APPLICANT agrees s/he will be benefited by retaining greater cash liquidity and will pay only after costs are actually incurred. WATER RESOURCES agrees it will be benefited through the greater certainty of recovering its full costs to process APPLICANT's plan check.

4. Therefore, pursuant to Resolution No. 04-110 APPLICANT shall pay an initial deposit, and if actual recorded costs plus administrative costs exceed the initial deposit, APPLICANT shall make periodic payments to WATER RESOURCES for the processing of the plan check mentioned above. Such periodic payments shall be made within 30 days of the billing date. APPLICANT further agrees that failure to pay such accrued costs shall be grounds for plan checks not being considered complete for signature.
